

Friendly Reminders:

- Please remove all Christmas decorations and lights from balcony areas.
- All dogs have to be registered at the Office and approved by the Board. This is mandatory as per the bylaws.
- Pick up after your dog as per RMWB bylaws and the Corporation bylaws!
- Pets are NOT permitted in the courtyard area at any time for any reason. It is the only area we have on the property for children to play and signs are posted at each entrance.
- Balcony areas cannot be used for storage of any items and the only items permitted to be kept on a balcony is flower pots, bbq's and lawn furniture
- We do not allow fire pits of any kind
- No propane above ground floor suites and natural gas lines are provided for all balcony areas
- Cigarette butts must be disposed of properly and not thrown over a balcony area. The property is littered with butts. We've had lit butts burn small children, please dispose of them properly.
- Remember window coverings must be white or off white facing outward, with lined window coverings it allows for the neutral color facing outward and colours/patterns of your preference in your suite without affecting the esthetics of the property.
- No large garbage items to be disposed off in the garbage rooms which is an expense the Corporation as a whole has to incur.
- No gas/propane containers are permitted in the parkade and they will be removed when identified. No exceptions or warnings as this is a safety hazard!
- Please use the booties provided when entering the property with muddy boots. As fast as the staff clean carpets they are re-soiled with mud which costs everyone!

Thank you in helping keep the property clean & beautiful!!
